All Cerner Associates traveling internationally should forward their itinerary to immigration@cerner.com as soon as possible to confirm the visa and entry requirements necessary for the specified travel reservation.

Certain countries require that your passport be valid at least 6 months or longer beyond the dates of your trip. If your passport expires before the required validity, you will have to apply for a new one.

Travel to the U.S. requires you to provide your country of residence and passport. In addition, *visitors* to the U.S. must provide a full address - street name and number, city, state, and zip code - for their first night's stay in the U.S. Passport holders from [visa waiver countries](#) are required to complete an online travel authorization at <https://esta.cbp.dhs.gov> at least 72 hours prior to departure.

If you would like more information about your international destination's culture, business skills, travel tips, etc., please click: [GlobeSmart](#).
